

Authorised Economic Operators - Query page

Retrieve Authorised Economic Operators

Please select any combination of data concerning an authorisation holder (country, authorisation type, holder name)

Authorisation holder name x

Issuing country v

Authorisation type

- AEOC - Customs simplifications
- AEOF - Customs simplifications/Security and safety
- AEOS - Security and safety

Search rules:

To search for a part of a word in the name box use the percent sign as a wildcard. A search for "Com%" finds all names in which one of the following words appear: "Company", "Component", "Computer", "Common", etc. Search words are not case sensitive; searches for "COMP" and "coMp" are treated the same.

1 results match your search
